Dear Sir,

Re: Unclaimed Money in the Federal Treasury
- Thanks For The Recovery

I am very thankful to Tomy Management for recovery of my unclaimed money, which was derived from my investment in securities many years ago. Without them creating the awareness to me, I will be still in the "dark" about such money.

I am very impressed by their service which is efficient and friendly. Best of all, I did not made any upfront payment to them. The recovered money all came into my bank account. Only then, I paid them the agreed service charge.

I will surely recommend Tomy Management Unclaimed Services to anybody, whom seek my humble advice.

Thank you,

Yours sincerely,

.....
